Indiana Diving Academy --- Winter Training Camp '09
Indiana University - Bloomington
December 27 - 31
www.indianadivingcamps.com

Dear Coach,

Indiana Diving is passionate about developing the skills and character of America's divers and coaches. Therefore, *we are excited to announce the 1st Annual Indiana Diving Academy - Winter Training Camp !!!!* We've considered and been encouraged to host this event for years. High school divers and coaches were always telling us we should offer an intense few days of diving and instruction during the school year, so we finally made it happen !!! We would appreciate it if you could pass this email on to any interested divers or coaches. Thank you.

The structure of the camp will be as follows: Everyone will be diving, training, learning from 8am-5pm. 3-time U.S. Olympic Coach Dr. Jeff Huber, Todd Waikel, 2008 Olympian Christina Loukas, The IU Divers, and Guest Coaches will be helping you become the best you can be !!! It will be a inspiring, encouraging atmosphere where the coaches and divers will assist you in polishing the dives you want to perfect. We'll also help you learn those dives on your goal list and dives you didn't even think possible. We are always getting divers who leave saying, "I can't believe how much I was able to learn in just a few days!!!" The bubbles and belts help as well.

Visiting Coaches are encouraged to help instruct the campers and we will have special sessions to help you grow in the techniques and art of coaching.

At night, you can rest assure we're going to have a ton of fun at the Camp House !!! We've got a bunch of fun events in the works, including: A Dance, Talent Show, Christmas/Hanukkah Party, Olympic Guest Speakers and Autograph Sessions - Including a Special Presentation by 2008 Olympian Christina Loukas, Ice Skating, Camp Fire, Sledding (if it's snowing), A Charity Auction of IU apparel, Crafts, and good ol' relaxation by the fireplace . As always, all food will be cook by our world-class chef, Dale.

*Important to Note: We only are able to accommodate 60 campers for our Winter Session, due to not being able to use outdoor facilities !!! We will cut off registration after 60 are signed up. *
