

**Avoid the hassle and long wait for a great seat at the finals of the SW Classic. 2018 will again feature the auction for reserved seats at the finals. Starting January 3, check eBay for the auction. Search by “ Southwest Classic Swimmeet Reserved Seats” . Auction will end January 10. All auction proceeds will support the annual SW Classic scholarships. Organize your group now to bid on your full row or half row of reserved seats. Three full rows and 2 half rows will be available each night. Each full row has a capacity of about 13, half rows about 6. Again this year, as since the initial auction, the cost of the auction is being underwritten by Johnson Investment Counsel and its employees , so every dollar collected from the auction will support the Scholarship fund. Thank you in advance for continuing to support the SW Classic.**
