

## 2018 Classic Weather Contingency

Based on the current weather track for Saturday 1/13 we are moving the start time for prelims at all sites back one hour to 9 AM. Warm ups will also be one hour later. This also affects diving start times.

At this time finals are still set for a start time of 6:30 PM.

This is for Saturday only. Sunday is set for normal start times.

Let us know if you have any questions.

Thank you for your patience

Classic Meet Management.
