## Information Packet Summary

(Please read the full Information document for detailed instructions)

### ENTRY REGISTRATION HIGHLIGHTS

**Entries and proof of time are due Wednesday, January 8, 2020** no later than 8:00 PM EST (see page 3).

**Diving Entries are due Friday, January 10, 2020, 8:00 PM**

**Entry limits:** check entry limits for each event on page 2 under entry rules.

**Qualifying times:** check qualifying times for 400 IM, 500 free and 1650 free on page 7.

**Deck entries:** there are no deck entries at the meet

**Proof of time is due Wednesday, January 8, 2020.** Proof for 400 IM, 500 Free, and 1650 Free must be emailed to entry chair (see page 3) by that time or the swimmer may be scratched from the event.

**NOTE:** Proof of time must be from meet results from a short course yard meet (High School, USA, YMCA) in the previous calendar year or SWIMS. You can PDF from SWIMS and email them to your site entry person.

**Team manager results are not proof of time. Meet Mobile is not proof of time.**

**Diving** --The diving packet is included. Each diving site will have 1 automatic qualifier. (5 sites) 20 additional divers will be selected by total points. Coaches of qualifiers will be notified and the list will be posted on the web. All diving entries will be done online. See Specific Diving Information.

**NOTE:** As time is limited, each coach will be asked to submit both the 6-dive sheet for prelims and the 11-dive sheet for finals when entering prelims. No 11-dive sheet submitted with prelim entry means no participation in finals. Dives can be changed at the site up to 30 minutes before the meet.

**JV events-** 100 IM, 50 Backstroke, 50 Breaststroke, and 50 Butterfly are Junior Varsity events. They are scored separately. They are an opportunity for those who typically would not place in the longer events. This year qualifiers for finals will be checked. Any swimmer who qualified for last year's district meet and placed in the top 16 in any individual event must be scratched from finals. Also, a swimmer who qualifies for Classic finals in an individual varsity event will be ineligible to swim in a JV final. If the varsity final is on Saturday, the swimmer would be ineligible to swim in a JV final on Sunday.

### ENTRY FEE REQUIREMENTS (See details Page 9)

IT IS A REQUIREMENT THAT **BEFORE** PARTICIPATING IN THE MEET, ALL SCHOOLS **MUST PROVIDE** to SOUTHWEST CLASSIC SWIM MEET LLC by January 17, 2020 PAYMENT OF ENTRY FEES OR DOCUMENTATION THAT PAYMENT HAS BEEN AUTHORIZED BY THE ATHLETIC DEPARTMENT.

## REMINDERS

### Team Entry limits

All other events	limit 6

500 free, 1650 free, and 400 IM have qualifying times. See Page 9

**Each site will determine their warm-up schedule as determined by entries and pool availability.**

There are no deck entries at the meet.

## WEATHER CONTINGENCY

Due to the possibility of weather issues in Southwest Ohio in mid-January, The Classic will adopt the following weather contingency plan.

- Because the nine locations for the Classic Prelims are widely separated geographically, and each site has its own operating procedures, meet management cannot generally make a weather related decision that covers all locations. Our best option is to communicate as quickly as possible what the conditions are at each site. Each participating school also has weather related policies that they institute outside of what each site decides.
- Based on the above, weather related decisions will first be up to each school. The decision for a site to open will be up to that site. That decision could include an adjustment of the start time.
- Should a site need to close, meet management will do its best to accommodate teams at another location.
- Our intention is to run The Classic, and meet management will communicate any changes in a timely fashion so each school can make decisions as necessary.

# Swimming Competition Details

**Electronic Entries** Entries will be submitted electronically. You may use Hy-Tek team manager, Team Unify, or Easy Team. The files can then be emailed to the respective meet entry chairperson.  
Due Wednesday, January 8, 2020 -- 8 PM along with proof of time.

**Instructions for Hy-Tek Team Manager** Go to web site [www.swimmeet.com](http://www.swimmeet.com) and download the event file for the Classic. Save the file on your hard drive. Import the event file. You now have a meet, and you can do the entries right in Hy-Tek team manager. The team manager will use the times that you have entered during the season.  
The entry file can then be exported and emailed to the entry chairperson for your site. You should receive verification that entries were received from the entry chairperson within 24 hours. Please do not enter your divers in Hy-Tek unless they are also swimmers.

Be sure that you use the State abbreviation code. It is the same code that you will use for sectionals. (Also, on the Classic site spreadsheet.)

**NOTE:** as stated on pages 1 and 8, the entry process is not finalized until entry fee payment has been completed by Friday, January 17, 2020. Instructions to satisfy the entry fee payment requirement are presented on page 8. It is requested that when the team entry file is emailed to the site entry chairperson that you also send an email to the coach with a reminder that the entry fee payment must be satisfied by January 18, 2019 as a requirement for team participation in the Meet

**Shaving** Coaches, please warn your swimmers that no team personnel/competitor shall perform any on-site shaving before, during or after the meet. Team personnel/competitors shall be disqualified from further participation for on-site shaving. Shaving on site is an ejection.

**Miscellaneous Information** The top sixteen (16) swimmers in the prelims will advance to the finals. The eight (8) fastest will swim in the championship heat and the next eight (8) fastest will swim in the consolation heat.

Prelims will be at nine (9) locations. The results from each event at each location will be transmitted to a central site where the qualifiers for finals will be determined and then transmitted back for posting. They will also be posted on [www.swimmeet.com](http://www.swimmeet.com) as they become available.

All qualifiers have thirty (30) minutes after the posting of each event's qualifier list to scratch finals without penalty. Penalty for a no show in finals without scratching – the swimmer/diver is disqualified from further competition that day.

The 500 Free and the 400 IM will be timed finals with the fastest sixteen (16) swimming at finals. The 1650 is a timed final event with the fastest eight (8) swimming at finals.

The 1650 will be swum fastest to slowest, alternating girls and boys.

For both events, if a time for the shorter distance is submitted, it should be submitted as a “short course meters time” with an “S” following the time (it is not necessary to convert a yards time to meters). Athletes submitting a time for the shorter distance will be seeded below those submitting a time for the longer event.

#2 – COMMUNICATE BY EMAIL OR PHONE BY JANUARY 15 – if the check for entry fees is delayed please inform me about the situation by January 15. Communication from the AD office is requested. Communication may be, for example, that the Athletic Director has signed the invoice (page 10 and approved payment, or that the PO is being processed, or that the check should be in the next check run. I prefer email with an attachment documenting that the payment has been approved. But a phone call is another alternative. Contact information is as follows:

Bill Meredith  
[513-833-1198](tel:513-833-1198)- cell phone  
[513-965-8439](tel:513-965-8439)- home phone  
[will\\_meredith@msn.com](mailto:will_meredith@msn.com)

#3 – DELIVER PAYMENT OR DOCUMENTATION TO THE SITE CHAIRPERSON PRIOR TO THE START OF THE MEET ON JANUARY 18 – frankly, this is the least desirable of the options because of how busy the morning is prior to the start of the meet. However, this will work by:

1. Delivering a check at the meet
2. Presenting a copy of the invoice (signed by the A.D. or principal)
3. Presenting a copy of the P.O.

## Diving Competition Details

**Diving** - Each diving site will have 1 automatic qualifier. (5 sites). Twenty (20) additional divers will be selected by total points. The results of the diving prelims will be posted on [www.swimmeet.com](http://www.swimmeet.com) and emailed out to the diving coaches as soon as the list of 25 divers is completed. As entry time for finals will be limited, each coach will be asked to submit both the 6-dive sheet for prelims and the 11-dive sheet for finals when entering prelims. No 11-dive sheet submitted with prelim entry means no participation in finals. Dives can be changed at the site up to 30 minutes before the meet. All diving entries will be done online. See Specific Diving Information

### *Entering Divers Names*

The divers' names and dives must be submitted and received by John Mihevic by 8 PM on Friday, January 10, 2020 via the online entry procedure. Diving entries are to be submitted via CleanEntries.com. Detailed instructions on how to use this system can be found at the end of this document. Divers are only entered in the swimming entry file if they are entered in a swimming event. Names must match in both places.

Each school should send one set of entries for the girls 1m Prelims (6 Dives), one set of entries for the boys 1m Prelims (6 dives), one set of entries for the boys 1m Finals (11 Dives) and one set of entries for the girls 1m Finals (11 Dives)

The diving prelims will be held on Saturday, January 18, 2020. WARM-UPS FOR DIVING PRELIMINARIES AT ALL SITES WILL START NO EARLIER THAN 12:00 PM (NOON).

Competition will begin 60 minutes after the warm-ups begin. Although there will be eight sites in swimming, diving will be at only five sites, Miami University (2), Mason High School Natatorium, Trotwood-Madison High School, and Milford High School. West Carrollton YMCA and DRAC divers will dive at Trotwood-Madison. Countryside divers will compete at Milford. WTRC will dive at Mason.

All dive sheets will be printed out using eDive software. Each diver and coach will be required to sign their dive sheets to confirm the information has been entered correctly. All signatures are required at least 30 minutes prior to the start of competition. A coach may make changes up to 30 minutes before the meet begins.

### *Diving PRELIMS Diving Format*

The diving prelims, consistent with the 2019-2020 National Federation rule book will consist of six (6) dives. There will be no cuts. Each diver will perform all six dives. The dives shall consist of three (3) VOLUNTARY dives and three (3) OPTIONAL dives. The voluntary dives shall be done first followed by the optional dives.

Two (2) of the three (3) voluntary dives shall come from two groups – reverse and twisting. All voluntary dives shall be assigned their DD up to a value of 1.8. Any voluntary dive with a DD greater than 1.8 shall be assigned a DD of 1.8.

- a) The three (3) optional dives shall each come from a separate group – forward, back, reverse, inward, twisting. No more than one (1) optional dive from the same group is permitted.
- b) Any diver who cannot complete the required dives shall be ineligible for finals.

A copy of the dive sheets will be available when the scoring process is complete. Please do not take score sheets from the scorer's table before the process is complete.

### *Diving FINALS General Information*

The top one (1) scoring girl and boy diver from each site will automatically qualify for Finals along with the next 20 at large divers to make a field of 25 divers to be held at University of Cincinnati on Sunday, January 19, 2020. Any diver that does not have a valid 11-dive sheet turned in prior to the entry deadline will not be eligible for finals. The next diver in order will be advanced.

The results of the diving prelims will be posted on [www.swimmeet.com](http://www.swimmeet.com), and emailed out to the diving coaches as soon as the list of 25 divers is compiled. We will list the next 2 divers that have a valid 11-dive sheet as alternates to fill in if we have no shows at finals.

Warm-ups begin at 7:30 AM. (Doors open at 6:45 AM.) Competition will begin at 9 AM and should conclude at approximately 3 PM. (Alternates may warm-up at 7:30 AM)

# Submitting Diving Entries

## Step by step instructions for diving entries

You do not have to have any particular software or license to enter the meet. If you have any questions or concerns, you are welcome to contact John Mihevic, [mihevijp@MiamiOH.edu](mailto:mihevijp@MiamiOH.edu) or 513-529-8155.

(REALLY! This is not hard to do. The instructions look long because I have given you step by step instructions!) Please make sure you have your diver's date of birth before you begin.

1. Go to [www.cleanentries.com](http://www.cleanentries.com)

If coach and team are already registered on the clean entries site, Skip to #3 below.

Periodically please review your profile in order to make sure it is still accurate.

Please verify that your school code is correct.

Check the 2019 Classic site assignment spreadsheet [www.swimmeet.com](http://www.swimmeet.com).

- b. Fill in the six fields: (Use the "Tab" key to move between fields, NOT the "Enter" key.)
- c. Click "Register me as a Coach"

#### Option #1

Write down or copy with your mouse the activation code you see on your screen. In the upper right hand corner of the window, there is a "Verify Account" link. Click that link and either enter or paste the activation code in the space provided.

#### Option #2

An email will be sent to the email address you just registered. You will need to click on the link contained in the email in order to verify your account or copy/paste it into your web browser address bar and press "ENTER".

**Frequently, these types of verify emails end up in your "spam" or "junk" folder.**

Please search for them there. If you are using a "school" email address and do not receive the verification email, try a non-school email address or option #1.

- f. Whichever method you use, if it is completed correctly, you will receive a "The user name [ ] has been activated." Message

- g. Click "Login" in the upper right corner.
- h. Fill in the two fields: (Use the "Tab" key to move between fields, NOT the "Enter" key.)

Fill in the four fields: (Use the "Tab" key to move between fields, NOT the "Enter" key.)

**IT IS VERY IMPORTANT THAT THE "DATE OF BIRTH" FIELD IS CORRECTLY ENTERED. THIS FIELD CANNOT BE CHANGED LATER WITHOUT ADMINISTRATIVE ASSISTANCE. IF IT IS INCORRECT AND THE DIVER IS A CLUB DIVER, IT CAN CAUSE PROBLEMS FOR AGE-BASED ENTRIES!!!**

Click "Continue"

- i. If all is completed correctly, a "no reply" message will be sent to the coach's email address. It will contain a Username, temporary password, and security question and answer for the diver just added.

**Very often, these "no reply" emails end up in your "spam" or "junk" folder.** Please search for them there. If you are using a "school" email address and do not receive the email, try a non-school email address. Many time school systems block these type of "no reply" emails.

**Please give a copy of the email to the diver, as at some point the diver will need to login and fill out their profile information.**

- j. The "Event Selection" window will open only if there is more than one event in the selected meet that the diver is eligible to enter. If there is only one event available for the diver, skip to "4." below.

Click on the appropriate event in box #1.
