

THE THIRTY-EIGHTH ANNUAL SOUTHWEST OHIO HIGH SCHOOL SWIMMING AND DIVING CLASSIC JANUARY 15 & 16, 2022

Sponsored by The Southwest Ohio Swimming Officials Association

Swimming Information Packet Summary (Diving Information is separate)

(Please read the full Information document for detailed instructions)

ENTRY REGISTRATION HIGHLIGHTS

Entries and proof of time are due Wednesday, January 5, 2022, no later than 8:00 PM EST (see page 3).

Entry limits: check entry limits for each event on page 2 under entry rules.

Qualifying times: check qualifying times for 400 IM, 500 free and 1650 free on page 7.

Deck entries: there are no deck entries at the meet.

Proof of time is due Wednesday, January 5, 2022. Proof for 400 IM, 500 Free, and 1650 Free must be emailed to entry chair (see page 3) by that time or the swimmer may be scratched from the event.

NOTE: Proof of time must be from meet results from a short course yard meet (High School, USA, YMCA) in the previous calendar year or SWIMS. You can PDF from SWIMS and email them to your site entry person.

Team manager results are not proof of time. Meet Mobile is not proof of time.

Diving – The diving packet is separate.

JV events – 100 IM, 50 Backstroke, 50 Breaststroke, and 50 Butterfly, and the new 6 dive diving event are Junior Varsity events. They are scored separately. They are an opportunity for those who typically would not place in the longer events. This year qualifiers for finals will be checked. Any swimmer who qualified for last year's district meet and placed in the top 16 in any individual event must be scratched from finals. Also, a swimmer who qualifies for Classic finals in an individual varsity event will be ineligible to swim in a JV final. If the varsity final is on Saturday, the swimmer would be ineligible to swim in a JV final on Sunday.

WEATHER CONTINGENCY

Due to the possibility of weather issues in Southwest Ohio in mid-January, The Classic will adopt the following weather contingency plan.

- Because the eleven locations for the Classic Prelims are widely separated geographically, and each site has its own operating procedures, meet management cannot make a weather related decision that covers all locations. Our best option is to communicate as quickly as possible what the conditions are at each site. Each participating school also has weather related policies that they institute outside of what each site decides.
- Based on the above, weather related decisions will first be up to each school. The decision for a site to open will be up to that site. That decision could include an adjustment of the start time.
- Should a site need to close, meet management will do its best to accommodate teams at another location.
- Our intention is to run The Classic and meet management will communicate any changes in a timely fashion so each school can make decisions as necessary.

COVID

Each site will have its own COVID-19 protocol.

Site Managers will communicate this information.

Please follow and respect their rules.

Do not enter divers in your swimming file.

Web Site

The meet information and the psych sheet will be posted on www.swimmeet.com.

Instructions for Hy-Tek Team Manager

Go to web site www.swimmeet.com and download the event file for the Classic. Save the file on your hard drive. Import the event file. You now have a meet, and you can do the entries right in Hy-Tek team manager. The team manager will use the times that you have entered during the season.

The entry file can then be exported and emailed to the entry chairperson for your site. You should receive verification that entries were received from the entry chairperson within 24 hours. Please do not enter your divers in Hy-Tek unless they are also swimmers.

Be sure that you use the State abbreviation code. It is the same code that you will use for sectionals. (Also, on the Classic site spreadsheet.)

NOTE: as stated on pages 1 and 10, the entry process is not finalized until entry fee payment has been completed by Friday, January 14, 2022. Instructions to satisfy the entry fee payment requirement are presented on page 10. It is requested that when the team entry file is emailed to the site entry chairperson that you also send an email to the coach with a reminder that the entry fee payment must be satisfied by January 14, 2022, as a requirement for team participation in the Meet

Shaving

Coaches, please warn your swimmers that no team personnel/competitor shall perform any on-site shaving before, during or after the meet. Team personnel/competitors shall be disqualified from further participation for on-site shaving. Shaving on site is an ejection.

Miscellaneous Information

The top sixteen (16) swimmers in the prelims will advance to the finals. The eight (8) fastest will swim in the championship heat and the next eight (8) fastest will swim in the consolation heat.

Prelims will be at eleven (11) locations. The results from each event at each location will be transmitted to a central site where the qualifiers for finals will be determined and then transmitted back for posting. They will also be posted on www.swimmeet.com as they become available.

All qualifiers have thirty (30) minutes after the posting of each event's qualifier list to scratch finals without penalty. Penalty for a no show in finals without scratching – the swimmer/diver is disqualified from further competition that day.

The 500 Free and the 400 IM will be timed finals with the fastest sixteen (16) swimming at finals. The 1650 is a timed final event with the fastest eight (8) swimming at finals.

The 1650 will be swum fastest to slowest, alternating girls and boys.

Distance Events

The swimmers wishing to enter the 400IM, 500 Free or 1650 Free must submit valid entry times that meet a qualifying standard. For the 400IM, either a 400IM or 200IM time may be submitted. For the 1650 free, either a 1650 yard time or a 500 yard time may be submitted. For both events, if a time for the shorter distance is submitted, it should be submitted as a "short course meters time" with an "S" following the time (it is not necessary to convert a yard time to meters). Athletes submitting a time for the shorter distance will be seeded below those submitting a time for the longer event.

Coaches must prove entry times for the 400 IM, 500 free, and 1650 free with **meet results** from high school, USA-S or YMCA meets from the last calendar year. Times from 2020 High School Classic are acceptable. Times from Team manager or Meet Mobile are not okay. Failure to provide the proof of time shall result in the competitor being removed from that event.

Qualifying Times	500 free	Boys	6:00.00	Girls	7:00.00
***All entries for these events must show proof of time by Wednesday, January 5 or the swimmer will be scratched. **	1650 free	Boys	20:00.00	Girls	21:00.00

Relays

Relay events are contested as "prelim and final" events, with the top 16 teams qualifying for finals.

Warm-ups

Each site will distribute their own warm-up procedure.

Alternates

For Prelim-Final events, athletes and relay teams finishing 17th and 18th in Prelims are invited to finals as alternates. At finals, all alternates should report to the deck referee when their event is called.

Timers

This meet is organized and run by volunteers. We rely on the support of competing teams to arrange for a certain number of adults to serve as timers. Timing assignments will be posted before the meet.

A Timers meeting will be held, typically, 30 minutes prior to the start of a session.

Please bring your own watches.

If issues exist, please contact your Prelim site's manager.

#2 – COMMUNICATE BY EMAIL OR PHONE BY JANUARY 14, 2022 – if the check for entry fees is delayed, please inform me about the situation by January 14, 2022. Communication from the AD office is requested. Communication may be, for example, that the Athletic Director has signed the invoice (page 11 and approved payment, or that the PO is being processed, or that the check should be in the next check run. I prefer email with an attachment documenting that the payment has been approved. But a phone call is another alternative. Contact information is as follows:

Bill Meredith
[513-833-1198](tel:513-833-1198)- cell phone

will_meredith@msn.com

#3 – DELIVER PAYMENT OR DOCUMENTATION TO THE SITE CHAIRPERSON PRIOR TO THE START OF THE MEET ON JANUARY 15 – frankly, this is the least desirable of the options because of how busy the morning is prior to the start of the meet. However, this will work by:

1. Delivering a check at the meet
2. Presenting a copy of the invoice (signed by the A.D. or principal)
3. Presenting a copy of the P.O.

If you have questions, you can contact Bill Meredith as indicated above
