Hi everyone,

Good evening! As promised, here are the warm-up flights and board assignments for the Monday 12.30.2024 Canton Holiday Invitational at CT Branin Natatorium as well as some other logistics.

Dive Changes and Scratches:

If you have any dive changes or scratches, please send them to me (Lisa Werwinski) in advance if possible via email. That makes admin so much easier for me as opposed to having to do it all on deck.

Logistics:

For those divers doing 11 dives, they will be given a flighted 30 minutes of warm-ups (15 minutes per flight) after round 5 and then again after round 8. Those divers doing 6 dives will do round 6, while those divers doing 11 dives will have the flighted 30 minutes of warm-up after round 5 before moving on to round 6.

Timeline:

There are 95 total divers planning on competing on Monday 12.30.2024. There are a total of 23 divers planning to do 6 dives, and a total of 72 divers planning to do 11 dives. Since the competition is scheduled to start at 10:00am, I expect the competition to finish around 3:15pm at the latest. This timeline was based on 32 seconds per dive in the split board format and includes the 30 minute flighted warm-ups after rounds 5 and 11.

Board Assignments:

I have attached the board assignments for the Monday 12.30.2024 Canton Holiday Invitational. The Navy board is the board closest to the windows overlooking the patio, while the Gray board is the board closest to the stands and main entrance door.

Warm-Up Flights:

*****Note that due to the large number of divers competing, warm-up flights will not be changed in non-emergency circumstances. Coach convenience is not a valid reason to request a warm-up flight change. It takes a lot of work to balance the boards, including across 6 and 11 dive events and both warm-up flights. Thank you in advance for your consideration, courtesy, and understanding.**

OHSAA Team Names and School Codes:

If you look carefully at the diving order, you will notice that all of the teams are listed with the correct [OHSAA School Names and Codes](#). If your team's information in CleanEntries (school name and school code) does not match what is listed on the OHSAA website (please use just the school name without the city before it), please fix it within CleanEntries. It is imperative that this information is listed correctly as we head into the state tournament.

We are looking forward to seeing everyone on Monday! :)

Thanks,

Lisa Werwinski and Erin Steiner
