

Patti Lyons

Benefit Fund

How you can help ...

All donations will be used to offset the mounting medical expenses of Patti's cancer treatments and recovery. Your donation will help bring peace and encouragement during these difficult times.

Benefit Fund for Patti Lyons

Fifth Third Branch

Thank you!

The Sycamore Flying Fish and the entire Cincinnati swim community are rallying in support of our long-time friend, coach, and advocate, **Val Lyons** and her daughter Patti.

Having swum for both the **Flying Fish** and **Sycamore High School**, Patti Lyons knows how to dig deep and reach for the wall.

Patti is now fighting a different competitor in the name of cancer treatments and mounting medical bills associated with her battle against a rare form of **colon melanoma and liver cancer**. As a single mother of two teenage boys this is proving to be a very difficult financial challenge.

Over the years the Lyons family has touched our swim community through team participation, coaching, lifeguard instruction and mentoring programs. As a member of the Cincinnati swim community, **we ask you to consider a financial donation** in support of Val, Patti and her family. Thank you.
