Note dates for 2019!

Each year COSA is in the unfortunate situation of turning swimmers away due to entry limits and time constraints. We are grateful that The Ohio State University and staff have been able to open Friday evening to us for an additional B-flight for Franklin County teams.

It is our hope that this additional session will allow us to include the 300+ swimmers that we have had to turn away previously by moving Franklin County teams to this Friday session. Teams outside of Franklin County may request Friday swims (instead of Saturday) by contacting the meet director, Kim Kessler, listed below.

The goal of COSA has always been to include as many swimmers as possible and afford each team the opportunity to compete at the premier facility in the Midwest.

ENTRY INFORMATION

SWIMMING ENTRIES:

Please refer to ENTRY PROCEDURE PAGE at the end of this packet. **DO NOT e-mail your entry files – You will upload your entries through the procedure outlined on the ENTRY PROCEDURE PAGE.**

Each team may enter a maximum of six (6) swimmers who have achieved the cut per individual event. Teams are permitted only one relay in each relay event. Swimmers are permitted to enter a maximum of 4 events, no more than 2 of which may be individual events. *(There are no team entry limits for the B-flight. You may enter as many individuals as you wish in each event. Limits still apply to individual swimmers – 4 swims per swimmer; 2 individual and 2 relay events).*

Enter all **swimmers** (*including relay-only swimmers not participating in an individual event*) using Hy-Tek Team Manager. Relay-Only swimmer can be added by assigning them to one or more relays as either one of the 4 relay swimmers or as an alternate on the relay.

Include first and last name and grade level – please use 9, 10, 11, 12 (not FR, SO, JR, SR) – this is different than OHSAA entries for Sectionals. Please use your assigned OHSAA school code and team name. Do not use school mascot as a team name.

Only swimmers entered via online entry may participate in this meet. There will be no exceptions.

PLEASE update your Team Manager information to include your e-mail address in the contact information!

ENTRY FEES:

A-Flight: \$15.00 per athlete entered (whether in an individual event, or relay only event).

B-Flight: \$8.00 per athlete entered. Should any of your swimmers be eliminated from events due to time constraints, a refund will be issued to you at the meet.

NOTE-ALL WHO ARE ENTERED WILL BE CHARGED-NO EXCEPTIONS. YOU MUST PAY THE ENTRY FEE FOR EACH SWIMMER ENTERED EVEN IF THEY DO NOT PARTICIPATE.

ALTERNATE EVENT:

A swimmer entered in the 500 freestyle may enter an alternate event in case their time in the 500 is not one of the 40 fastest. If they do not make the 500 field, then they may swim the alternate event. If they do make the 500 field, the coach must scratch the alternate event in the scratch meeting. Swimmers must have achieved the qualifying time standard for the A-flight in the alternate event.

SCORING AND AWARDS

SCORING:

Individual and relay swimming events will be Prelims/Finals with the Finals Session composed of a Consolation (B-Final) and a Championship (A-Final). Twenty (20) places will be scored for each individual swimming and relay event.

AWARDS: There is no award ceremony. Coaches will pick up awards at the end of the session.

INDIVIDUAL AWARDS FOR B-FLIGHT ONLY

Individual Event Awards: First through Tenth. Swimmers who achieve an A-flight qualifying time will receive a “Qualifier Award” and are not eligible for 1st through 10th place awards. No Relay Awards are given.

TIME STANDARDS & EVENTS

TIME

STANDARDS:

Qualifying times for the A-flight are listed below. There are no qualifying times for relays – teams may enter an “A” relay only. One entry per relay event.

Time Standards represent approximately the 48th place time in last year prelims; although, no time standard was adjusted to a slower time. Swimmers may compete if they achieved the time standard between December 1, 2018 through entry deadline. The 500 freestyle will be limited to the 40 fastest girl’s times and the 40 fastest boy’s times entered. **Coaches must submit proof of time for all 500 freestyle entries with your Hy-Tek entry files** (web address of official results, scan of results, photo from phone). Team Manager print-outs are NOT acceptable for proof of time. You may enter an alternate event for 500 swimmers if you are not certain they will be top 40. Please check “bonus” in the alternate entry.

Girls	Event	Boys
2:08.89	200 Free	1:55.99
2:24.19	200 IM	2:10.09
:26.19	50 Free	:23.39
1:04.19	100 Fly	:58.39
:58.09	100 Free	:51.69
Fastest 40	500 Free	Fastest 40
1:04.79	100 Back	1:00.59
1:14.79	100 Breast	1:06.29

Times in bold are faster than 2018

There will be no qualifying time for the B-flight. **HOWEVER**, COSA will limit the number of swims to finish by 3:30 pm. The 500 freestyle will be limited to 3 heats. Rather than limit each event to a specific number of heats, all entries will be accepted and adjustments will be made to accommodate as many swimmers as possible. (For example – we will not limit events to 4 heats across the board. There may be 10 heats of 50 freestyle and only enough entrants for 2 heats of 100 butterfly).

The 200 Medley and 200 Free Relays will be contested in the B-flight. Each team may enter two (2) relays per event – B-flight ONLY. The Medley Relay will be the first event, the Free Relay will be the last event.

Teams with swimmers who have not qualified in an individual event for the A-flight who are competing on A-flight relays should contact the Meet Director to make arrangements for those swimmers.

MISSED CUTS: The qualifying time standards are to be adhered to without exception. A team that has an excessive number of athletes not making the time standards in events runs the risk of not being permitted entry into future Ned Reeb Meets.

Please be prepared to prove “missed cuts” with meet results. A fine of \$10/missed cut will be imposed and must be paid within 30 minutes of the conclusion of the A-flight or swimmers from that team will be barred from finals competition. The later entry date now affords teams the opportunity to complete at least one meet prior to the entry deadline.

MISSED CUT FINES WILL BE ENFORCED AT THIS YEAR’S MEET!!!

DECK PASSES: Teams will receive ONE (1) deck pass for each SEVEN (7) swimmers entered in the meet. Additional passes may be purchased for \$10 at the computer table.

ORDER OF EVENTS: The order of events is the standard Ohio High School order beginning with the Girls 200 Yard Medley Relay and ending with the Boys 400 Yard Free Relay. Genders will be competing in opposite ends of the natatorium during prelims. All finals heats will be swum in the South pool (nearest diving well). **NOTE: All A-flight relays will be swum in a prelim/final format.**

FRIDAY B-FLIGHT EVENTS: The Friday session will follow the same order of events as the Saturday B-flight. **Please note that Friday event numbers are numbered in the 500’s. Friday event numbers begin with a 5 to help ensure that you are entering the correct day/event.**

If you are an Ohio team, use OH for your LSC (do not worry about your high school team not being a USA registered team). If your athletes are registered with another LSC, you may use that LSC designator for the purposes of matching athletes to the SWIMS database. If you do not wish to have your swims uploaded, you do not need to worry about USA ID#'s. If you wish to have your swimmer's times from the meet uploaded to the SWIMS database, you MUST have USA ID#'s included with your entry. We will not add USA ID's at the meet.

Use your assigned OHSAA team code! You are not ZHS for Zanesville High School. Codes can be found on the OHSAA web-site. **If you are submitting separate files for Girls/Boys, enter a G (girls) or B (boys) at the end of your code – e.g. Upper Arlington Girls – UPAG Upper Arlington Boys – UPAB.**

If you coach / enter multiple teams, you must upload a SEPARATE FILE for each team.

After you have entered your LSC and Team Code, confirm that this is your team. This will take you to page 2.

Pg.2 – enter your information (please include an e-mail and phone number in case we need to contact you)

Select your team entries file (created in either Hy-Tek or Team Unify (or whatever you are using that is Meet Manager compliant)).

You may use the COMMENTS box to list links to proof-of-time for 500 swimmers if the meet results can be found online. If your proof is from District or State meets (Ohio), simply note which meet.

Alex Jones – 500 free – 2016 OHSAA SE District Meet

Samantha Smith – 500 free - <link> <http://www.xxxxxxx>

If from a meet not online, you will need to e-mail proof-of-time

LIST YOURSELF as a coach in the list of coaches attending the meet. You will receive ONE (1) deck pass for each SEVEN (7) swimmers entered in the meet.

Click the GREEN “Submit Entries” button.

Once you submit your entries, a new page will be displayed with an entry summary. Use the GREEN “Print Meet Report” button to print a copy of your entries for your records. A pop-up box will open

from which you may print (right click and select “PRINT”). Please note that there is a time-stamp on your entries. Entries are processed and accepted or declined based on space available relative to the time they were uploaded into the system.
