Swimmers are permitted to compete in individual events in either the A flight or the B flight, but not both; however, a B flight swimmer may compete in the A flight relays if needed to complete that relay. Also, if a swimmer has achieved (and competes in) an A flight event, he or she may also compete in the A flight in their second event, even if they haven't achieved the A flight time standard in that event.

There are no team entry limitations for any individual event (you can enter your entire team into the same event if you want); however, regardless of session, each swimmer may swim no more than four total events, no more than two of which may be individual events.

Relay-only swimmers can be added by assigning them to one or more relays as either one of the 4 relay swimmers or as an alternate on the relay. Include first and last name and grade level – please use FR, SO, JR, SR. Please use your assigned OHSA school code and team name.

Only swimmers entered via online entry may participate in this meet. There will be no exceptions.

Entry Timeline: Entries will open at noon on Wednesday, November 13.*
**entries received before this date & time will fall to the back of the entry list*

Observed Meet:

The 2024 Ned Reeb Memorial Invitational will be a USA Swimming “Observed” meet. You must include your swimmers’ full name, USA ID, and DOB in your entry file if you wish to have athlete times loaded into SWIMS. We will not add USA ID #s during the meet.

Scoring:

Individual and relay swimming events will be Prelims/Finals with the Finals Session composed of a Consolation (B-Final) and a Championship (A-Final). Twenty (20) places will be scored for each individual and relay event.

Time Standards:

Qualifying times for the A-flight are listed below. There are no qualifying times for relays – teams may only enter one “A” relay per relay event.

Coaches must submit proof of time for all A cuts and 500 free entries with your entry files (web address of official results, scan of results, photo from phone). The 500 free will be limited to the 40 fastest girl’s times and the 40 fastest boy’s times entered. You may enter an alternate event for 500 swimmers if you are not certain they will be top 40. Please check “bonus” in the alternate entry.

<u>Girls</u>	<u>Event</u>	<u>Boys</u>
2:05.29	200 Free	1:55.99
2:21.79	200 IM	2:10.09
:26.19	50 Free	23.39
1:03.49	100 Fly	:57.09
:56.09	100 Free	:51.69

Fastest 40	500 Free	Fastest 40
1:02.69	100 Back	:59.09
1:12.59	100 Breast	1:06.29

Time standards remain unchanged from 2023

There will be no qualifying time for the B-flight; however, we may limit the number of swims if needed to finish by 4:15 pm. The 500 freestyle will be limited to 3 heats. Rather than limit each event to a specific number of heats, entries will be accepted and adjustments will be made to accommodate as many swimmers as possible. (For example – we will not limit events to 4 heats across the board. There may be 10 heats of 50 freestyle and only enough entrants for 2 heats of 100 butterfly).

Missed Cuts: The qualifying A flight time standards are to be adhered to without exception. A team that has an excessive number of athletes not making the time standards in events runs the risk of not being permitted entry into future Ned Reeb meets.

Deck Passes: Teams will receive one (1) coach deck pass for each seven (7) swimmers entered in the meet. Additional passes may be purchased for \$10 at the admin table.

Event Order: **A flight order of events:** standard Ohio High School order beginning with the 200 medley relay and ending with the 400 free relay. Genders will be competing in opposite ends of the natatorium during prelims. All finals heats will be swum in the South pool (nearest diving well). We may begin the boys' events first during Prelims to avoid conflicting whistles since we'll be running two pools simultaneously.

B-flight order of events: standard Ohio High School order beginning with the 200 medley relay. The 200 free relay is moved to the end of the session with no 400 free relay.

Timer Requirement: Teams with 10 or more swimmers (per gender) will be required to provide up to two timers for the A flight prelims and B flight timed finals. We'll ensure that timers will be timing in the same pool in which their child is competing.

Scratches: Swimmers who qualify for A flight finals are expected to swim unless they scratch. If they do not intend to swim in the evening, they will have thirty (30) minutes after the announcement of qualifiers for a particular event to declare their intention to scratch at the official's table. Any swimmer qualifying for a consolation final or finals race in an individual event who fails to compete in said final race shall be barred from further competition for the remainder of the meet, except as noted below in "Exceptions for Failure to Compete."

Exceptions for Failure to Compete - No penalty shall apply for failure to withdraw or compete in an individual event if:

1. The Referee is notified in the event of illness or injury and accepts the proof thereof.
2. A swimmer qualifying for a consolation final or final race following preliminaries notifies the Referee or designee within thirty (30) minutes after the announcement of the qualifiers for that race that the swimmer may not intend to compete. The swimmer must declare within thirty (30) minutes following his last individual preliminary event a final intention to scratch or swim.
3. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
