

4th Annual Roosenburg Invitational  
Saturday, Dec. 7, 2024

Selinde Roosenburg, a former Bulldog swimmer and 2018 graduate of Athens High School, died March 23, 2021, following a UTV accident during a prescribed fire at Richland Furnace State Forest. She grew up on a tree farm in Athens County and loved the forest. She was a student at OSU and had been granted acceptance into the Fire Science program at Idaho State University. She had dreams of pursuing a career in wildland fire and forestry. She was looking forward to pursuing her passion and bringing her knowledge back to southeast Ohio. Selinde's desire and eagerness to learn about prescribed fire's role in forest conservation was evident while working for the Ohio Division of Forestry.

An Athens Conservancy memorial fund has been established in Selinde's name to purchase forests and fields of southeast Ohio to protect them for future generations. A donation jar will be placed at the entrance to the aquatic center and all funds will be given to the Athens Conservancy in honor of Selinde's memory.
