## Entries Rules

Official invitations have been limited to teams that have a combined boys and girls team of fewer than 30 athletes. Team rosters who exceed this amount will be benched in the following season as we are trying to limit the size of the meet. Any team entries that are received and not on the official invitational sheet provided to our meet manager will be held in a queue system. When all official rosters and teams have been totaled we will begin the process of allowing benched and queued teams into the meet on first come first serve basis. We apologize for the inconvenience but the demand for this meet is quite high and restrictions are having to be made. We appreciate everyone's interest in the meet and continued support for it. We hope you enjoy and appreciate the experience and atmosphere we are trying to create!

Submit all entries in Hy-Tek Team Manager format. Hy-Tek offers a Team Manager-lite for providing entries if your team does not have Team Manager Software and license. Entries submitted in forms not compatible with Hy-Tek Team Manager will be charged an additional fee.
