

**JOSE CERDA AQUATIC FOUNDATION (JCAF)
2024 SWIMMING / WATER POLO SCHOLARSHIP APPLICATION FORM**

The José Cerdá Aquatic Foundation was established to support youth swimming and water polo and to honor the life and passions of José Cerdá. José was a dedicated Sycamore High School swimmer and water polo player who passed away on his 18th birthday, October 26, 2010, during a swimming practice with the Cincinnati Marlins.

José Cerdá absolutely loved the sports of swimming and water polo! In addition to being a member of the Sycamore High School Varsity Swim and Water Polo Teams, he attended swimming and water polo camps and was a member of the Cincinnati Marlins and the Moose Water Polo Club. José used as many opportunities as possible to improve himself as a swimmer and water polo player exhibiting dedication and perseverance and supporting fellow team mates. The José Cerdá Aquatic Foundation would love to keep Jose's memory and passions alive by making it possible for other young people to seize the ever-increasing opportunities to enjoy and learn about these sports!

Description of Scholarships:

In addition to his love of water polo and swimming, Jose's life was characterized by integrity, sportsmanship, leadership and contagious enthusiasm. The Jose Cerda Aquatic Foundation (JCAF) has established \$500 scholarships for students ages 13-18 who best exemplify these traits of integrity, camaraderie and leadership and are highly interested in improving their skills in swimming and/or water polo. The purpose of these scholarships is to:

- 1) introduce junior / high school-aged youth to the variety of water polo / swimming opportunities available to strengthen their practice,
- 2) elevate aspirations and competitiveness of youth already participating in the sports of water polo and swimming, and
- 3) foster collaboration and friendships among youth and their families in water polo and swimming programs.

Scholarship Categories

There are two categories of JCAF scholarships for Ohio students ages 13-18 involved in swimming and/or water polo: 1) residing in the Cincinnati area and 2) residing outside the Cincinnati area . A scholarship can be split for swimming and water polo or used for one of these two sports exclusively. Scholarships will be awarded to Ohio students based on the ranking of their applications by the judges.

JCAF will distribute the \$500 scholarship directly to the sponsor/organization of the recipient's selected water polo and/or swimming activity to apply to associated registration fees, up to the \$500 scholarship award limit.
