We will have 2 assigned warm-up sessions. Session assignments were made to balance the number of swimmers between the two sessions and give deference to those who have to travel a substantial distance.

Each team will need to restrict itself to its share of lane space. Depending on the number of swimmers you will have, you will need to share a lane with others. If you encounter problems, see me at the results table.

IN-MEET WARM-UP/ COOL-DOWN

During the competition, lanes 10 & 11 will be available for swimmers to use for warm - up / cool-down. Lane 9 will not be used, providing a buffer to minimize interference with the competitors in lanes 1-8. All swimmers must enter and leave warm-up/cool-down lanes in the northeast corner of the pool closest to the glassed-in office. Swimmers are not to jump or dive into the warm-up/cool-down area.
