Scratches:

Swimmers who qualify for Championship Finals or Consolation Finals are expected to swim unless they scratch. If they do not intend to swim in the evening, they will have thirty (30) minutes after the announcement of qualifiers for a particular event to declare their intention to scratch at the official's table. This is not a championship meet. Swimmers may withdraw from prelim or final with a Declared False start (DFS) notification to the referee.

Notes from the Referee:

- We will be following the swimming rules as dictated by the Ohio High School Athletic Association (OHSAA).
- A meeting for all coaches will be held at 6:45 a.m. near the pool office where you checked in.
- At check in, coaches will receive heat sheets. Because it will be a crowded event, it is our hope that your athletes will comport themselves respectfully, keep their area clear of debris, and be watchful of their belongings. Please discourage swimmers from bringing valuables on deck.
- Scratches will be accepted at the scoring table until 7:30 am. No additions. Once the meet starts, declared false starts (DFS) will be accepted by the referee. Swimmers not showing for their event will be disqualified from that event (3.2.3.1)
- We will be doing dive-overs during the preliminary and B-sessions for all events using the forward start. Please make sure you tell your swimmers to remain in the pool until after the next heat has started.
- There will be a 15-minute break after the Boys 50 free during Preliminary and Final sessions.
- Finals will take place in ten lanes in each individual event. Consolation Finals will precede the Championship heat and will be conducted in all individual events other than the 500 free which will have Championship finals only.
- Swimmers not intending to swim in the Finals session must notify the scoring table no later than 30 minutes after the event results have been announced.

USA-S observation:

The meet has been approved for USA-S observation. The meet will be a "blanket" observation but swimmers must have their **full legal name, and date of birth** or pick up the necessary forms at the scoring table and submit it to the Referee before the start of the meet.
