### **Scratches:**

Swimmers who qualify for Championship Finals or Consolation Finals are expected to swim unless they scratch. If they do not intend to swim in the evening, they will have thirty (30) minutes after the announcement of qualifiers for a particular event to declare their intention to scratch at the official's table. This is not a championship meet. Swimmers may withdraw from prelim or final with a Declared False start (DFS) notification to the referee.

### **Notes from the Referee:**

- We will be following the swimming rules as dictated by the Ohio High School Athletic Association (OHSAA).
- A meeting for all coaches will be held at 6:45 a.m. near the pool office where you checked in.
- At check in, coaches will receive heat sheets. Because it will be a crowded event, it is our hope that your athletes will comport themselves respectfully, keep their area clear of debris, and be watchful of their belongings. Please discourage swimmers from bringing valuables on deck.
- Scratches will be accepted at the scoring table until 7:30 am. No additions. Once the meet starts, declared false starts (DFS) will be accepted by the referee. Swimmers not showing for their event will be disqualified from that event (3.2.3.1)
- We will be doing dive-overs during the preliminary and B-sessions for all events using the forward start. Please make sure you tell your swimmers to remain in the pool until after the next heat has started.
- There will be a 15-minute break after the Boys 50 free during A-session Preliminary and Finals.
- Finals will take place in ten lanes in each individual event. Consolation Finals will precede the Championship heat and will be conducted in all individual events other than the 500 free which will have Championship finals only.
- Swimmers not intending to swim in the Finals session must notify the scoring table no later than 30 minutes after the event results have been announced.

### **USA-Swimming observation:**

1. The meet will be a USA Swimming "Observed" meet. You must include your **swimmer's full legal name, USA ID, and DOB** in your entry file if you wish to have athlete times loaded into SWIMS database. We will not add USA ID #s during the meet.
2. The athlete must be a USA Swimming member in good standing ***on the day of the meet***. This includes the athlete having successfully completed the APT requirement if they are 18 or older at the time of the swim.

### **In Memory of Mike Lehto:**

This year, we are proud to rename our invitational in honor of Mike Lehto, whose sudden passing earlier this year left a lasting impact on all who knew him. Mike dedicated over 30 years to Cleveland State University and had just retired in December 2024 after helping host last year's 50th Viking Invitational swim meet, an event he truly cherished. He also spent more than 20 years coaching the Cleveland St. Ignatius High School Swim & Dive Team, leading them to two individual OHSAA state champions and two team OHSAA State runner-up titles.

Mike's passion for swimming extended far beyond coaching. He brought unmatched care and energy to every detail for all swim meets at CSU and especially the Viking meet. During the meets no task was overlooked from the water quality and backstroke flags to starting blocks and his famously curated music playlist. One of the most beloved traditions he championed was the Viking meet's Santa arrival, a favorite of both swimmers and spectators alike. He made sure every part of it was just right, often coordinating the playlist and video for the scoreboard himself.

Mike had a special gift for knowing what each swimmer needed to succeed, who their competition was, and how to push them to their best potential. He loved coaching, and he especially loved this meet. We are honored to carry on his legacy by renaming it the **Mike Lehto Viking High School Invitational Swim Meet**, in celebration of his lasting influence to our community and the sport he loved.
